By signing this form, I certify that I purchased the qualified appliance noted within for the West Penn Power (WPP) Service Address above, and I am a WPP residential electric customer. I am providing the requested information solely to be eligible to participate in WPP's Watt Watchers Programs and request that the personal information supplied by me be treated as confidential. I will allow a representative of West Penn Power to physically verify the product if requested. Allow 6-8 weeks for processing. Questions about the rebate form should be directed to Watt Watchers at 1-877-928-8928. Customers may check the status of a submitted rebate by visiting rewardsbymail.com or calling 1-866-538-1204. ENERGY STAR® qualified appliances can be identified by the ENERGY STAR Label. Rebate effective 1/13/11 - 12/31/11.					

For more forms for the water heater and many other rebates, visit the Watt Watchers section of alleghenypower.com.
